Premise:

The site, as it was conceived and built, is born only with cookies "owners" technical (or session), ie cookies needed for the proper functioning of the site and only for this purpose. And 'reasonable to say the possibility that the presence of third-party services included in the website (statistics, counters, widget integration, and the like, a social network link) can be installed in the visitor's device cookies that fulfill different roles and Light srl, Via G . Chiassi 20/E 46100 Mantova, owner of this site can't be held responsible in this case.

Information on types and use of cookies on this site

In this part of the page there are the necessary information about the use of cookies on this site and how to identify them, disable them or delete them.

This Policy may be updated at any time based on any changes and amendments to existing legislation or to any implementation or elimination of cookies.

What are cookies

Cookies are automatically saved strings, while browsing the site, in the devices used by users and allow the site to recognize you after the first visit in order to improve and simplify their use.

What cookies are used on this site and for what purpose:

This site uses cookies technicians for the correct functioning of the site, which have a limited life and are deleted when you close the session.

There may be third-party cookies but NOT OWNERS, that is not operated by us but managed directly from the suppliers of the various services that may be present; These cookies can be stored in the device even after abandoning the site visited or you close the browser and remain until their deadline or until they are deleted by the user.

Technical cookies or session: allow the proper functioning of this site and use all its functions.

Cookies analysis: both temporary and permanent, third parties and managed by the same, so collect aggregate information pertaining to user behavior on the site and improve the experience. The information collected in this way are not personal because the collected and analyzed data is so anonymously. This site contains cookies from Google Analytics with the manner specified [in this page](#) .

Social Cookies : are entered and managed directly by the social media network or, if present, after click on links to their official pages, or sharing and similar buttons. Access to these resources via connection involves the exchange of information with these sites. The management and the way to eliminate this possibility is regulated by the same company and it invites the visitor to our site to read the privacy policies of these sites.

- [Facebook](#)
- [Google](#)
- [YouTube](#)
- [Vimeo](#)
- [Histats](#)

Advertising Cookies : Now our site don't use advertising cookies; if in the future it will happen, this policy will be updated if necessary. Our site **does not** use remarketing lists and her display ads. If you would like to have information about the cookies used by Google Adwords, you can [read this resource](#)

Additional note:

An additional consideration there appears to be due, to provide complete information and better knowledge: during the consultation of resources on the web, if made having already logged in with any account (ie access executed by injection - or storing the same credentials - username and password to services or social like Facebook, Google+, Twitter and many others), may result in the disclosure of certain data included in the registration phase (eg, age, whether man or woman, locations ..); We can be reflected in this statement when, browsing, we look very targeted messages to our "generic profile" that we have on the network.

Remember that you can always disable the collection of data through the features found on a special page of every Google account <http://www.google.com/ads/preferences> , or through the instrument [Google OptOut](#) and downloading the add-on for your browser .

Accept or decline cookies is your right

By using this site, implicitly **consent** to use cookies mentioned above.

The default settings of the browser generally accept the use of cookies is from the site visited by that third party sites linked.

ALWAYS POSSIBLE **change these settings by choosing the desired options** , accessing the browser tool used and decide if the full acceptance, if the display of a notice and then proceed to explicit action by the user or the refusal of cookies (or all sites or just by the third party).

For managing cookies you need to change your browser settings in use by the tools prepared within the same browser. Here are links to descriptions of cookie handling for some of the most used browsers:
